**HESS RANCH METROPOLITAN DISTRICT NO. 8
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District is a quasi-municipal corporation and political subdivision of the State of Colorado under Title 32, Article 1 of the Colorado Revised Statutes, and was organized by order of the District Court in Douglas County on May 23, 2016, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located south of Hess Road and west of Motsenbocker Road in the Town of Parker in Douglas County, Colorado.

The District was established to provide construction, installation, financing and operation of public improvements, including street improvements, park and recreation, water, sanitation, public transportation, mosquito control, traffic and safety control, fire protection, television relay and translation, and security. Under the amended service plan, the District was organized in conjunction with four other related districts, Hess Ranch No. 4, Hess Ranch No. 5, Hess Ranch No. 6, and Hess Ranch No. 7. The District serves as the commercial district for Hess Ranch Metropolitan Districts 4-7. Hess Ranch No. 6 serves as the operating district for Hess Ranch Metropolitan Districts Nos. 4, 5, 7, and 8.

On November 3, 2015, the District's electors authorized to increase taxes \$5,000,000 annually to pay the operations and administrative costs of the District, without limitation. Debt authorization was approved in the amount of \$122,260,000 for public improvements including street improvements, park and recreation, water, sanitation, public transportation, mosquito control, traffic and safety control, fire protection, television relay and translation, and security. \$366,780,000 of debt was also authorized for the purpose of refunding debt, operations and maintenance, and intergovernmental agreements.

The Amended Service Plan dated August 5, 2019, limits the total principal amount of obligations that the Districts may have outstanding in aggregate at any one time to \$254,368,750 provided that such limitation shall not be applicable to refunding Bonds issued by any of the Districts to refund outstanding debt.

The Maximum Debt Mill Levy shall be the maximum mill levy the District is permitted to impose upon the taxable property within the District, and shall be determined as follows: For the portion of any aggregate District Debt which exceeds 50% of the District's assessed valuation, the Maximum Debt Mill Levy for such portion of Debt shall be 57.000 mills less the number of mills necessary to pay unlimited mill levy Debt. If, on or after January 1, 2019, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut or abatement, the mill levy to which the Mill Levy Adjustment applies may be increased or decreased to reflect such changes, such increases and decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the applicable mill levy, as adjusted for changes occurring on or after January 1, 2019, are neither diminished nor enhanced as a result of such changes.

The method of calculating assessed valuation of residential assessment rates in the State of Colorado changed to 7.15% from 7.20% for property tax years 2019-2020. Accordingly, the debt service mill levy cap has been adjusted upward to 57.399 from 57.000.

HESS RANCH METROPOLITAN DISTRICT NO. 8
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided - (continued)

For the portion of any aggregate District Debt which is equal to or less than 50% of the District's assessed valuation, either on the date of issuance or at any time thereafter, the mill levy to be imposed to repay such portion of Debt shall not be subject to the Maximum Debt Mill Levy and, as a result, the mill levy may be such amount as is necessary to pay the Debt service on such Debt, without limitation of rate.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single family residential property decreases to 6.95% from 7.15%. The rate for multifamily residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29%.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 9% of the property taxes collected.

**HESS RANCH METROPOLITAN DISTRICT NO. 8
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collection.

Transfers to Hess Ranch Metropolitan District No. 6

Pursuant to the Master Intergovernmental Agreement, Hess Ranch Metropolitan District No. 6 will provide certain operation, maintenance and administrative services benefitting the District, Hess Ranch Metropolitan District No. 4, Hess Ranch Metropolitan District No. 5, Hess Ranch Metropolitan District No. 6, and Hess Ranch Metropolitan District No. 7 (collectively, "districts"). The Districts will pay all costs of such services through the imposition of ad valorem property taxes and transferring the net tax revenues to Hess Ranch Metropolitan District No. 6.

Debt and Leases

The District has no debt and operating or capital leases.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to Hess Ranch Metropolitan District No. 6, which pays for all Districts' operations and maintenance costs, and which provides for the required reserve amount, an Emergency Reserve is not reflected in the District's Budget.

This information is an integral part of the accompanying budget.
