**HESS RANCH METROPOLITAN DISTRICT NO. 6**  
**2025 BUDGET**  
**SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

The District is a quasi-municipal corporation and political subdivision of the State of Colorado under Title 32, Article 1 of the Colorado Revised Statutes, and was organized by order of the District Court in Douglas County on May 23, 2016, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located south of Hess Road and west of Motsenbocker Road in the Town of Parker in Douglas County, Colorado.

The District was established to provide construction, installation, financing and operation of public improvements, including street improvements, park and recreation, water, sanitation, public transportation, mosquito control, traffic and safety control, fire protection, television relay and translation, and security. Under the amended service plan, the District was organized in conjunction with four other related districts, Hess Ranch No. 4, Hess Ranch No. 5, Hess Ranch No. 7, and Hess Ranch No. 8. The District serves as the operating district for Hess Ranch Metropolitan Districts Nos. 4, 5, 7, and 8.

On November 3, 2015, the District's electors authorized to increase taxes \$5,000,000 annually to pay the operations and administrative costs of the District, without limitation. Debt authorization was approved in the amount of \$122,260,000 for public improvements including street improvements, park and recreation, water, sanitation, public transportation, mosquito control, traffic and safety control, fire protection, television relay and translation, and security. \$366,780,000 of debt was also authorized for the purpose of refunding debt, operations and maintenance, and intergovernmental agreements.

The Amended Service Plan dated August 5, 2019, limits the total principal amount of obligations that the Districts may have outstanding in aggregate at any one time to \$254,368,750 provided that such limitation shall not be applicable to refunding Bonds issued by any of the Districts to refund outstanding debt.

The Maximum Debt Mill Levy shall be the maximum mill levy the District is permitted to impose upon the taxable property within the District, and shall be determined as follows: For the portion of any aggregate District Debt which exceeds 50% of the District's assessed valuation, the Maximum Debt Mill Levy for such portion of Debt shall be 57.000 mills less the number of mills necessary to pay unlimited mill levy Debt. If, on or after January 1, 2019, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut or abatement, the mill levy to which the Mill Levy Adjustment applies may be increased or decreased to reflect such changes, such increases and decreases to be determined by the Board in good faith ( such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the applicable mill levy, as adjusted for changes occurring on or after January 1, 2019, are neither diminished nor enhanced as a result of such changes.

The method of calculating assessed valuation of residential assessment rates in the State of Colorado changed to 7.15% from 7.20% for property tax years 2019-2020. Accordingly, the debt service mill levy cap has been adjusted upward to 57.399 from 57.000.

For the portion of any aggregate District Debt which is equal to or less than 50% of the District's assessed valuation, either on the date of issuance or at any time thereafter, the mill levy to be imposed to repay such portion of Debt shall not be subject to the Maximum Debt Mill Levy and, as a result, the mill levy may be such amount as is necessary to pay the Debt service on such Debt, without limitation of rate.

**HESS RANCH METROPOLITAN DISTRICT NO. 6  
2025 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided - (continued)**

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District is required to impose a maximum Required Mill Levy of 10.985 mills for collection in 2025. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount to pay the principal, premium if any, and interest on the Bonds as the same become due and payable.

For property tax collection year 2025, SB22-238, SB23B-001, SB24-233, and HB24B-1001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate		Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%		Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%		Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%		Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%		Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%		Lodging	\$30,000
			Oil & Gas Production	87.50%			

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

2025 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues - (continued)**

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 9% of the property taxes collected.

**Interest Income**

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 4.0%.

**Transfers from Hess Ranch Metropolitan District Nos. 4-5 and 8**

Pursuant to the Master Intergovernmental Agreement, the District will provide certain operation, maintenance, and administrative services benefiting the District, Hess Ranch Metropolitan District No. 4, Hess Ranch Metropolitan District No. 5, Hess Ranch Metropolitan District No. 7, and Hess Ranch Metropolitan District No. 8 (collectively, "districts"). The Districts will pay all costs of such services through the imposition of ad valorem property taxes and transferring the net tax revenues to the District.

**Expenditures**

**Capital Outlay**

The District anticipates capital outlay as outlined in the Capital Project Fund.

**General and Administrative Expenditures**

General and administrative expenditures include the estimated cost of services necessary to maintain the District's administrative viability such as legal, accounting, insurance, membership dues, election and other administrative expenditures.

**Debt Service**

Principal and interest payments in 2025 are provided based on the debt amortization schedule from the Series 2020A-1 and Series 2020A-2 Bonds (discussed under Debt and Leases). There is no debt amortization schedule provided for the Series 2020B and 2022C Subordinate Bonds as the Bonds are cash flow bonds and the timing of the payments are unknown.

**Town Infrastructure Payment**

Each of the Taxing Districts has entered into a separate intergovernmental agreement with the Town of Parker (collectively, the "Town IGAs"). The Town IGAs provide that the Taxing Districts impose the Town Capital Mill Levy (5.000 mills, subject to adjustment) to be used for the planning, design, and/or maintenance of Town infrastructure. As the operating district, all related revenues are transferred from the other districts and paid to the Town by the District.

On and after conversion to current interest bonds, to the extent principal of any 2020A-2 Senior Bonds is not paid when due, such principal shall remain outstanding until the Senior Bonds Termination Date, and shall continue to bear interest at the rate then borne by the 2020A-2 Senior Bonds. To the extent

interest on any 2020A-2 Senior Bonds is not paid when due, such unpaid interest shall compound semiannually on each interest payment date (June 1 and December 1) at the rate borne by the 2020A-2 Senior Bonds. If any amount of principal or interest due on the 2020A-2 Senior Bonds remains unpaid after the application of all Senior Pledged Revenue available on the Senior Bonds Termination Date, such unpaid amount will be deemed discharged.

**Senior Bonds Optional Redemption**

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Debt and Leases - (continued)**

**The Taxing Districts**

The District was organized simultaneously with Hess Ranch Metropolitan District No. 4 ("District No. 4"), Hess Ranch Metropolitan District No. 5 ("District No. 5"), Hess Ranch Metropolitan District No. 7 ("District No. 7"), and Hess Ranch Metropolitan District No. 8 ("District No. 8"). District No. 6 is the Issuing District. District No. 4, District No. 5, District No. 7, and District No. 8, together with District No. 6, are referred to herein as the Taxing Districts. District No. 4, District No. 5, District No. 6, and District No. 7 are residential districts and District No. 8 is a commercial district.

District No. 4, District No. 5, District No. 7, and District No. 8 are required to transfer proceeds from their debt service mill levies to District No. 6, or to the Trustee in accordance with the Pledge Agreements, to be applied to debt service.

**Town Intergovernmental Agreements**

Each of the Taxing Districts has entered into a separate intergovernmental agreement with the Town of Parker (collectively, the "Town IGAs"). The Town IGAs provide that the Taxing Districts impose the Infrastructure Capital Mill Levy (5.000 mills, subject to adjustment) and use the proceeds for Regional Infrastructure. The Town IGAs require that the proceeds of the Infrastructure Capital Mill Levy be paid by the Taxing Districts to the Town; however, the Taxing Districts are permitted to retain revenues from the Infrastructure Capital Mill Levy to the extent needed to pay debt service on obligations repayable in whole or in part from such mill levy (which includes the Bonds).

**Senior Bonds Pledged Revenue**

The Senior Bonds are secured by Senior Pledged Revenue which means: (a) all Senior Property Tax Revenues; (b) all Senior Specific Ownership Tax Revenues; (c) all Senior PILOT (payment in lieu of taxes) Revenues; (d) all Capital Fees, if any; and (e) any other legally available moneys which the District determines, in its absolute discretion, to credit to the Senior Bond Fund.

*"Senior Property Tax Revenues"* means all moneys derived from imposition by the Taxing Districts of the Senior Required Mill Levy and the Infrastructure Capital Mill Levy. Senior Property Tax Revenues are net of the collection costs of the County and any tax refunds or abatements authorized by or on behalf of the County and do not include specific ownership tax revenues.

*"Senior Specific Ownership Tax Revenues"* means the specific ownership taxes remitted to the Taxing Districts as a result of their imposition of the Senior Required Mill Levy and the Infrastructure Capital Mill Levy.

*"Senior PILOT Revenues"* means all revenues derived from any PILOT relating to the Senior Required Mill Levy and the Infrastructure Capital Mill Levy imposed by any Taxing District.

*"Capital Fees"* means all fees, rates, tolls, penalties, and charges of a capital nature (excluding periodic, recurring service charges) imposed by a Taxing District for services, programs, or facilities furnished by a Taxing District. Capital Fees do not include Excluded Fees or any fee imposed solely for the purpose of funding operation and maintenance expenses. Currently none of the Taxing Districts impose a Capital Fee and none expect to do so.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Debt and Leases - (continued)**

**Senior Required Mill Levy**

Pursuant to the Senior Capital Pledge Agreement between the Taxing Districts and the Trustee, the Taxing Districts are required to impose an ad valorem mill levy upon all taxable property of each Taxing District each year in an amount determined by the District which maintains the Relative Required Mill Levy Ratio (defined below) that, when combined with moneys then on deposit in the Senior Bond Fund (and, for the last Mill Levy Certification Date, the Senior Surplus Fund), would generate Senior Property Tax Revenues and Senior PILOT Revenues relating to the Senior Required Mill Levy sufficient, together with the Senior Property Tax Revenues and Senior PILOT Revenues (if any) resulting from or relating to the Infrastructure Capital Mill Levy imposed by all Taxing Districts, to pay debt service on the Senior Bonds and, if necessary, an amount sufficient to fully fund the Senior Surplus Fund to the Maximum Surplus Amount, but (i) not in excess of the applicable Maximum Required Mill Levy, and (ii) until the Maximum Surplus Amount has been accumulated in the Senior Surplus Fund, not less than the Maximum Required Mill levy for each Taxing District, or such lesser mill levy which will pay debt service on the Senior Bonds when due and fund the Senior Surplus Fund to the Maximum Surplus Amount. The foregoing minimum and maximum mill levies are subject to adjustment to reflect changes in the method of calculating assessed valuation on or after January 1, 2019.

**Maximum Required Mill**

Maximum Required Mill Levy is defined in the Senior Capital Pledge Agreement as (i) with respect to the District, District No. 4, District No. 5, and District No. 7, 57.000 mills (as adjusted); and (ii) with respect to District No. 8, 30.000 mills. If the method of calculating assessed valuation changes after January 1, 2019, the 57.000 (as adjusted) and 30.000 mill levy maximums will be increased or decreased with respect to each Taxing District separately to reflect such changes, such increases or decreases to be determined by the District in good faith in consultation with the applicable Taxing District (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the applicable mill levy, as adjusted, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation to assessed valuation shall be deemed to be a change in the method of calculating assessed valuation. Such adjustment may result in different mill levies being imposed by the District, District No. 4, District No. 5, and District No. 7. In accordance with the Service Plans, the maximum mill levies of 57.000 mills (as adjusted) and 30.000 mills shall be reduced by the number of mills necessary to pay unlimited mill levy debt.

**Relative Required Mill Levy Ratio**

Relative Required Mill Levy Ratio means the relationship of the Senior Required Mill Levies imposed by the Taxing Districts with each other represented by the imposition of 57.000 mills (as adjusted) by the residential districts and 30.000 mills by the commercial district; that is, the ratio of 57.000 : 30.000. As a result of the reduction in the residential assessment ratio for the 2019 mill levy year, the Relative Required Mill Levy Ratio, as adjusted, is anticipated to be 57.398 mills for each of the residential districts and 30.000 mills for the commercial district.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Debt and Leases - (continued)**

**Mill Levy Commencement Year**

The Mill Levy Commencement Year for debt service mill levies is: (a) for each Residential Taxing District, *the earlier of* (i) the first calendar year in which, prior to the Mill Levy Certification Date in such year: (A) any portion of the property in such Residential Taxing District (as applicable) is classified by the County Assessor as residential, commercial or vacant land, as reflected in the publicly available records of the County Assessor indicating the Final Assessed Valuation of the applicable Taxing District, and (B) a final subdivision plat has been recorded with respect to all or a portion of property in the applicable Taxing District, or (ii) the calendar year ending December 31, 2025; and (b) for District No. 8, the calendar year ending December 31, 2020.

**Additional Security for 2020 Senior Bonds**

The Senior Bonds are further secured by capitalized interest which was funded from proceeds of the 2020A-1 Senior Bonds in the amount of \$4,800,000 and by amounts in the Senior Surplus Fund (if any). Except for an initial deposit of \$5,868,000 from proceeds of the Senior Bonds, the Senior Surplus Fund will be funded from deposits of annual Taxing District Pledged Revenue in excess of that needed to pay annual debt service (if any) up to the Maximum Surplus Amount of \$12,432,526.

Amounts on deposit in the Senior Surplus Fund (if any) on the final maturity date of the Senior Bonds shall be applied to the payment of the Senior Bonds. The availability of such amount is to be taken into account in calculating the Senior Required Mill Levy to be imposed in the levy year prior to the year of the final maturity of the Senior Bonds.

**Subordinate Bonds Details**

The Subordinate Bonds bear interest at the rate of 8.000% per annum and are payable annually on December 15, beginning December 15, 2020 from, and to the extent of, Subordinate Pledged Revenue available, if any, and mature on December 15, 2049. The Subordinate Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest prior to the final maturity date. Unpaid interest on the Subordinate Bonds compounds annually on each December 15.

If any amount of principal or interest on the Subordinate Bonds remains unpaid after the application of all Subordinate Pledged Revenue available on the Subordinate Bonds Termination Date of December 15, 2059, such unpaid amount will be deemed discharged.
